

Legend	
	Structures
	PT1 Trial Pit
	G1 Borehole
	GT1 Borehole for Tunnels

Note:
 The execution of the planned investigation works will depend on the situation on the ground, i.e. the detailed positioning of the micro-locations of the investigation works will be performed depending on the technical possibility of access to the working machines.
 Changes on the program shall be agreed-upon with IPF 10.
